## THE ALLROUNDER

The brass padlock 85 is suitable for many different applications.

From bags and suitcases to doors and closets, lockers, basements, and sheds, the Padlock 85 is your reliable choice for safeguarding your valuables against theft. Crafted with a solid brass lock body, its hardened shackle features a Nano Protect™ coating, ensuring exceptional durability.

The Padlock 85 also offers user-friendly functionality as it automatically locks when the shackle is pressed, and the precision pin cylinder can only be opened with a key. Opt for the "Service" version of the Padlock 85 for added convenience, allowing our dealers to customize the lock for your front door and shed, enabling the use of a single key for both.

---

## Technologies

- Solid lock body made from brass
- Hardened steel shackle with NANO PROTECT™ plating for extreme corrosion resistance
- Can be made keyed alike to already existing keys/locks by the trade (Version Service)
- Double bolted (as of 1 3/16)"
- Automatic locking: Locking without key by pushing down the shackle
- Paracentric keyway for increased protection against manipulation
- Inner components made from rust-free high quality materials
- Precision pin cylinder with mushroom pins
