

Junction Box incl. Long Wall Mount for PTZ Dome Cameras

Art.-Nr. TVAC31241

Seite 1 von 1

The wall mount is an accessory for ABUS PTZ dome cameras enabling the dome camera to be securely and sturdily attached to the wall. For effective protection against volatile weather conditions, the power supply unit of the camera can be mounted in the wall mount itself. The mount (TVAC31201) and the integrated power supply housing for weatherproof installation are included in the scope of delivery.

Technologies

- Compatible with IPCS84551, IPCS84550, HDCC82501
- Simple installation of ABUS PTZ dome cameras
- Camera power supply can be installed on the mount for protection from weather
- Length of mount (projection): 310 mm
- For wall mounting
